1 % Parent Involvement Budget Summary October 18, 2019

J. W. Arnold Elementary School hosted two Parent Engagement Budget Meetings on October 8, 2019 at 9:00 a.m. and October 9, 2019 at 6:00 p.m. During those meetings the 1% Title I Budget Survey was distributed. Title I-A requires the utilization of 1% of the funds to support and promote engagement and involvement in schools. Parents were able to rank the order of importance of how the school should spend the money. The parents decided on how the money would be spent for the 2019-2020 school year. After reviewing the results of 60 parents, the results are as follows:

100 % of the parents agreed with the way we would spend the **\$1,908.00**. We will spend the 1% Title I Parent Engagement Budget in the following ways:

- a. We will purchase more reading and math for the parent resource center for parents to use at home.
- b. We will purchase supplemental material to support instruction at home.
- c. We will offer more parent workshops taught by certified staff.
- d. Translate notices for EL Title I parents in other languages.
- e. Printing and communications.
